BACKGROUND

On March 1, 2022, your Board approved VESSMA, which utilizes a competitive bid process to engage approved vendors to provide critical election support services in the areas of operations management, network support, load testing, cybersecurity, tally enhancements, education and outreach, and other election support services. JUSTIFICATION

There are 21 technical and operational contact centers that support elections. The field support technicians, call center agents, and call center leads will provide on-site technical and call support related to resolve various informational technology issues involving voting equipment and device replacement at vote centers during the 11-day voting period for the November 5, 2024 Presidential General Election.

FISCAL IMPACT

Funding for VESSMA is part of the RR/CC Fiscal Year 2024-2025 approved budget. No additional Net County Cost is required.

VESSMA work order terms do not cross fiscal years to align with approved funding.
