FILING PROCEDURES

GENERAL INFORMATION ON CANDIDATE FILING PROCEDURES

LOCAL AND MUNICIPAL ELECTIONS NOVEMBER 4, 2025

All candidates must be registered voters at the time nomination documents are issued and otherwise qualified to vote for the office for which they are filing. (E.C. § 201)

State law requires that all nomination documents contain the candidate's name and the elective office title to which they are seeking nomination or election; and be signed by the elections official at the time of issuance. Verbal and written instructions regarding procedures to be followed in completing the nomination process are given to candidates or authorized agents when the forms are issued.

Only official documents issued by the Registrar-Recorder/County Clerk may be used. The forms are available at the Registrar-Recorder/County Clerk's Office, 12400 Imperial Highway, Norwalk, 2nd Floor, Room 2013, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, excluding holidays.

WRITTEN AUTHORIZATION FROM CANDIDATE– NOMINATION DOCUMENTS WILL NOT BE ISSUED TO OR ACCEPTED FROM AN UNAUTHORIZED PERSON. The authorization must be signed by the candidate.

CANDIDATE WITHDRAWAL – Withdrawal of candidacy, to be effected in writing utilizing official Registrar-Recorder/County Clerk forms, is permitted up to and including the deadline date to file a Declaration of Candidacy for that office (E.C. §§ 10224 and 10603). The deadline date to file a Declaration of Candidacy is **August 8, 2025 (E-88) no later than 5:00 p.m.**

ELECTION RESULTS – California law allows a specified period after the election for the completion of the official canvass. Results released on election night are considered semi-official. Vote By Mail ballots which are returned to this office and at polling places on election day are not counted on election night. This is also true of provisional ballots which are cast at polling places. These ballots are processed during the official canvass to allow sufficient time for eligibility and/or signature verification. As a result, close races may not be determined until after the canvass is completed. Certified election results are released at the completion of the official canvass. **Refer** to the Calendar of Events in Chapter 1 of this Candidate Handbook and Resource Guide for the date that the election results are scheduled to be certified.

NAME TO APPEAR ON THE BALLOT

The **ballot name** may be designated as follows:

- First, middle and last names.
- Initials only and last name.
- A nickname may be included but must be in parentheses () or quotation marks “ ”.
- A short version of the first name, such as “Bill” for William, “Dick” for Richard or “Kathy” for Kathleen.
-

NO TITLES OR DEGREES ARE ALLOWED IN THE BALLOT NAME. (E.C. § 13106)

WITHIN ONE YEAR OF ANY ELECTION, A CHANGE IN LEGAL NAME SHALL NOT APPEAR ON THE BALLOT UNLESS THE CHANGE WAS MADE BY MARRIAGE OR BY DECREE OF COURT. (E.C. § 13104)

TRANSLITERATION OF CANDIDATE NAMES – Candidates may request that their names be transliterated in those languages that do not use Roman Characters as instructed by the Department of Justice. These languages include Armenian, Bengali, Burmese, Cambodian/Khmer, Chinese, Farsi, Gujarati, Hindi, Indonesian, Japanese, Korean, Mongolian, Russian, Telugu and Thai. If applicable, candidates must complete a Transliteration Form and file it with their nomination documents by the specified deadline (88 days prior to the election). Candidates may review the transliteration of names and submit changes to the elections official no later than the last day of the review period, which is normally 60 days prior to the election but subject to change. To schedule a review of your transliterated name, you may call (562) 462-2730 or (562) 462-2832. Refer to Multilingual Voting Services Chapter for additional information.

CHARACTER-BASED OF CANDIDATE NAMES – Candidates may request that their names be in a Character-Based format (Elections Code 13211.7) by (1) placing a check in the box marked for requesting a character-based name format on the Declaration of Candidacy and (2) completing the Character-Based Name Form. This applies only to character-based languages, including but not limited to Mandarin Chinese, Cantonese, Japanese, and Korean. If a candidate has a character-based name by birth, that can be verified by a birth certificate or other valid identification, the candidate may use that name on the ballot instead of a phonetic transliteration. A candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate to the local elections official that the candidate has been known and identified within the public sphere by that name over the past two years, may use that name instead of a phonetic transliteration.

BALLOT DESIGNATION PROVISIONS (Continued)

- 4) **Principal Occupation:** No more than **three words** to either describe the current principal profession, vocation or occupation of the candidate **or** the principal professions, vocations or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. State geographical names are considered one word.

If a candidate fails to file a ballot designation worksheet, no designation will appear on the ballot.

(E.C. § 13107.3)

REJECTION OF BALLOT DESIGNATION – If the designation is in violation of any of the restrictions set forth in the California Elections Code, the candidate will be notified by certified mail return receipt request, addressed to the mailing address appearing on the candidate's ballot designation worksheet. - e. It includes the name of any political party, whether or not it has qualified for the ballot.

CHAPTER 3

CANDIDATE STATEMENTS

CANDIDATE STATEMENTS

California law permits specified candidates to file a candidate statement to be printed and mailed to voters in the Official Sample Ballot Booklet. A local agency may opt to pay for the cost of the statement.

PLEASE CONSIDER THIS INFORMATION BEFORE PURCHASING A CANDIDATE STATEMENT.

The Registrar-Recorder/County Clerk makes every effort to mail Sample Ballots/Candidate Statements as early as possible during the voting period and before the voters' receipt of their Vote By mail ballots. However, this is not always feasible because of the volume of material and the complexity of coordinating mail distribution. For mailing timelines and more information, see Section 1, Chapters 1 and 3, of the Candidate Handbook and Resource Guide.

The estimated cost is determined before all information is available; therefore, it approximates the actual cost that varies from election to election and may be significantly more or less depending on the actual number of candidates filing statements.

GENERAL INFORMATION: Filing of a statement is optional and applies to local nonpartisan offices. The elections official sends to each registered voter an Official Sample Ballot Booklet, which contains the candidate statements prepared and submitted.

FILING PERIOD: Statement must be filed no later than the close of business hours on the last day of the candidate nomination period.

WITHDRAWAL: A candidate statement cannot be changed or revised once it is filed. A candidate statement may be withdrawn by 5 p.m. of the next business day after the last day to file the statement.

CONTENTS: Statement may include the candidate's age and occupation, and a 200-word description of the candidate's education and qualifications. Some jurisdictions increase the word limit to 400 words.

RESTRICTIONS: The candidate statement shall not include the party affiliation of the candidate nor reference any membership or activity in political organizations.

PUBLIC EXAMINATION PERIOD: Candidate statements shall be confidential until the close of the nomination period. Once the nomination period closes, the statements are open to public examination for a ten (10) calendar day period. During the examination period, candidate listings, candidate statements, candidate names and ballot designations (or occupation) on ballot shall be open to public examination. Any person may file a writ of mandate or an injunction to challenge and possibly amend any or all of the material/data (E.C. 13313). If the filing period is extended for a particular office, the examination period for that office shall be adjusted. A fee may be charged to any candidate/person obtaining a copy of the material. **City candidates** should contact the City Clerk for information on viewing candidate statement content.

CANDIDATES FILING IN SHARED DISTRICTS - Your candidate statement must be filed with the county elections official in each county where you wish to have your statement printed (e.g., if you wish to have your statement printed in both Los Angeles and Ventura Counties, then you must submit one(1) copy of your statement and the appropriate fee to each county where you intend to have your statement appear in the Official Sample Ballot Booklet). The elections official will not forward your candidate statement or estimated shared cost to neighboring counties.

be submitted using any standard font. Please note, if using any standard font other than Times New Roman in 11 point size, the printed candidate statement may extend to two **(2)** or more pages once formatted. A sample of the format and style is pictured below.

2. Statements will be printed in uniform type, style and spacing, using block paragraphs and single space format. Text submitted indented or centered will be typed on block paragraph form. Entire statements in all capital letters, bold and italics (or any combination of enhancements) are not acceptable. Indentations cannot be accommodated. Enhanced words that are printed in boldface type, underscored and/or CAPITALIZED are to be clearly indicated. The pronoun “I” is not counted as an enhanced word. **Refer to page 29 for the Word Counting Guidelines.**
3. All statements should be checked by the candidate for spelling and punctuation as the elections official is not permitted to edit any material contained therein. It is recommended that you do not use dashes or hyphens at the end of a line.
4. Candidates can ask to have their statement printed in Spanish, in addition to English, in the Official Sample Ballot booklet sent to all voters. There is an extra fee for the Spanish version. By California law, only English and Spanish statements can be printed in the booklet at the candidate’s or local agency’s expense. Translations in other languages may be available under federal law.

TRANSLATIONS – Translations of candidate statements for voter information booklets may be provided in Armenian, Bengali, Burmese, Cambodian/Khmer, Chinese, Farsi, Gujarati, Hindi, Indonesian, Japanese, Korean, Mongolian, Russian, Telugu, Thai and Vietnamese for qualifying jurisdictions in accordance with Federal Voting Rights Act provisions and Department of Justice specifications. These booklets are sent only to voters who have requested translated material. Additional booklets are provided at the polling places on Election Day.

INDIGENT CANDIDATES – If a candidate alleges to be indigent and is unable to pay the advance fee for submitting a candidate statement, the candidate shall submit an Affidavit of Financial Worth to the local agency to be used in determining the candidate’s indigence eligibility. The affidavit shall be submitted by the candidate with their candidate statement by the specified deadline. The candidate shall certify under penalty of perjury the truth and correctness of the content of the affidavit. A determination shall be made whether or not the candidate is indigent and the local agency will notify the candidate of its findings. If a determination is made that the candidate is indigent, the local agency shall print and mail the statement without payment of the advance fee. The candidate will be billed the actual pro rata share of the cost following the election. If a determination is made that the candidate is **not** indigent, the candidate shall withdraw the statement or pay the requisite fee within three days of notification, excluding Saturdays, Sundays and State holidays.

NOTICE TO PERSONS SUBMITTING CANDIDATE STATEMENTS
--

CANDIDATE STATEMENTS LIMITED TO CANDIDATE'S OWN QUALIFICATIONS

This applies to all candidates.

The California Elections Code and case law prohibit **CANDIDATES** from making any reference to another candidate or to another candidate's qualification, character or activities. If the **COUNTY ELECTIONS OFFICIAL** discovers improper content in a candidate statement, the **COUNTY ELECTIONS OFFICIAL** will notify the candidate and give the individual an opportunity to correct the improper language in the candidate statement. If the candidate refuses to correct the improper language, the **COUNTY ELECTIONS OFFICIAL**, as well as any other voter, may bring legal action against the candidate to correct the statement. The prevailing party may also be entitled to obtain attorney's fees for bringing the action.

The **COUNTY ELECTIONS OFFICIAL** will not accept language in a candidate statement that in any way makes reference to other candidates or to another candidate's qualifications, character, or activities pursuant to California Elections Code Section 13308. The **COUNTY ELECTIONS OFFICIAL** will remove the improper language from the statement and not allow it to be printed. The candidate will be notified of the improper language and its removal from the statement.

All prospective candidates may want to refer to California Elections Code Sections 13307, 13308, 13311, 13313, and 13314, as well as the California Court of Appeal ruling in *Dean v. Superior Court*, (1998 4th Dist.) 62 Cal. App.4th 638. However, this list is not exhaustive, and candidates are solely responsible for preparation and submittal of candidate's statements that are in conformance with the law. A copy of the above-described Elections Code Sections and the *Dean* decision are available from our office at no cost.

CHAPTER 4

WRITE-IN CANDIDATES

GENERAL INFORMATION FOR WRITE-IN CANDIDATES

(Election Code Sections 8600 and 8601)

A person who has not followed the usual procedure for placing their name on the ballot for the election may still be elected to office as a write-in candidate.

You may file the required forms to run for office as a write-in candidate no later than 14 days prior to Election Day.

A write-in candidate **is not required** to pay a filing fee.

FILING DEADLINE		
FILING PERIOD	DAYS BEFORE ELECTION	EVENT
SEPT. 8 (M) through OCT. 21 (Tu) 5:00 P.M.	E – 57 E – 14	FIRST AND LAST DAY TO FILE WRITE-IN CANDIDATE DECLARATION OF CANDIDACY

Write-in candidacy forms must be filed with the Registrar-Recorder/County Clerk NO LATER THAN 5:00 P.M. ON THE **14th DAY** prior to the election.

All candidates are urged to file the following documents as early as possible.

STATEMENT OF WRITE-IN CANDIDACY – Refer to “General Information on Candidate Filing Procedures” in Chapter 2 of Section 1 of this handbook.

CANDIDATE CAMPAIGN STATEMENT FORMS – If you have any questions regarding the completion of this form, contact the Campaign Finance Section at (562) 462-2339.

ELECTION RESULTS FOR WRITE-IN CANDIDATES

Write-in election results are not determined until the canvass is completed. California election law allows a prescribed number of days for the conduct of the official canvass. During the official canvass, write-in ballots must be individually reviewed to determine if the write-in vote is for a qualified or unqualified write-in candidate and whether a voter has over voted. All aspects of the canvass shall be open to the public. **Write-in votes are counted and certified in an election only if qualified candidates have filed the required nomination documents with the elections official.**

WRITE-IN CANDIDATES TO BE ELECTED

OFFICES OMITTED FROM BALLOT – Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot. For school and UDEL contests, if the number of persons qualifying for the ballot does not exceed the number of offices to be filled, the election is cancelled and eligible candidates are appointed in lieu of the election. California law, however, allows the filing of a petition with the elections official to require such office(s) to be placed on the ballot. **(E. C. §. 10515 and Ed. Code §. 5326)**

The write-in candidate must receive more votes than any other candidate running for that office. When more than one office is to be filled, those candidates, including qualified write-in candidates, who receive the highest number of votes equal to the number of offices to be filled are elected. **(E. C. §. 10551)**

Voters may write-in any name they wish for any office regardless of whether the person qualified or not. However, votes will only be tabulated for qualified write-in candidates.

REVIEW OF REPORTING REQUIREMENTS

Campaign Disclosure Filing Requirements for Candidates and Committees

PLEASE READ CAREFULLY....

The Political Reform Act imposes certain duties and obligations on candidates, officeholders, committee treasurers and others participating in the political process. For example:

- Detailed records must be maintained for all financial activity, and contributions received for political purposes must not be commingled with personal funds.
- Campaign statements must be filed at specified times disclosing contributions received, expenditures made, and other financial information. In some cases, candidates can avoid filing long form campaign statements by submitting a “Candidate and Officeholder Campaign Statement Short Form (Form 470).”
- Campaign statements must be electronically filed, hand delivered, or postmarked as first-class mail by the legal filing deadline date established by law. NOTE: ***The second pre-election statement must be electronically filed, filed in person, or guaranteed overnight delivery.*** Mail which is not received by the filing officer shall be presumed not to have been sent unless the filer possesses a postal receipt establishing the date of the deposit, and the name and address of the addressee.
- The Political Reform Act provides a formula for assessing late fines of original campaign statements filed in our office. The fine is \$10 per day, starting the day after the filing deadline, until the statement is filed; however, no liability may exceed the cumulative amount of reported contributions, expenditures, of the Form 460 or \$100, whichever is greater.

Failure to submit a required statement is a misdemeanor. Persons who fail to submit required statements are referred to the Fair Political Practices Commission.

UNSUCCESSFUL CANDIDATES

Defeated candidates must file campaign disclosure reports until the campaign committee has been terminated by filing Form 410 (see part 5).

If mailing a campaign disclosure statement, it is recommended that it be mailed by certified mail or by purchasing a certificate of mailing. This will eliminate any question regarding receipt of your statement.

Unsigned forms are incomplete and are not considered filed until they are signed.

PART 1
LEGISLATIVE INTENT

Pursuant to Chapter 976, 1977 Statutes, the Legislature finds and declares:

- (a) That a need exists for adequate identification of the source of campaign Appeals directed at the voters in order to assist them in making rational decisions at the polls.
- (b) That by requiring such identification of campaign literature, the public is better able to evaluate the source of campaign material, may be more adequately informed, and can better distinguish between truth and falsity.
- (c) That by requiring identification, anonymous attacks, which cannot adequately be responded to in the heat of a campaign, will be discouraged.
- (d) That by requiring identification, a candidate who believes they have been libeled may more readily seek redress in a civil action for damages.
- (e) That limiting identification requirements to pejorative campaign material is inadequate because subtle attacks on candidates or measures can be framed which appear to be supportive but, in fact, are pejorative.
- (f) That a distinction needs to be made between campaign materials of small size that usually carry little more than a "Vote for _____" message, such as is often the case with buttons, matchbooks, pens, and the like, on the one hand, and campaign materials which carry more complex messages, on the other. In the case of the former, because of their characteristically small size and limited content, it would be an undue burden to require that identification as to source be included.

PART 2
MASS MAILINGS

Definition.

"Mass mailing" means over two hundred substantially similar pieces of mail but does not include a form letter or other mail which is sent in response to an unsolicited request, letter, or other inquiry.

Gov. Code § 82041.5

Manner of sending mass mailings.

- (a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of such mailing in no less than 6-point type. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

GENERAL CAMPAIGN INFORMATION (Continued)

- (b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.
- (c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision. **Gov. Code § 84305**

Newsletter or mass mailing.

No newsletter or other mass mailing shall be sent at public expense. **Gov. Code § 89001**

PART 3

TRUTH IN ENDORSEMENTS LAW

Legislature's findings.

The Legislature hereby finds the following to be true:

- (1) The major political parties have become an integral part of the American governmental system requiring regulation as to their structure, governing bodies, and functions by state government in the public interest.
- (2) The Legislature has found it necessary and appropriate in the regulation of political parties to create and provide for the convening of state conventions, state central committees, and county central committees for parties qualified by law to participate in the direct primary election, by statute.
- (3) Over the several years preceding the adoption of this section organizations of electors using as a part of their names the name of a political party qualified to participate in the direct primary election have endorsed candidates for nomination of that party for partisan office in the direct primary election and have publicized and promulgated such endorsements in a manner which has resulted in considerable public doubt and confusion as to whether such endorsements are those of a private group of citizens or of an official governing body of a political party.
- (4) The voting public is entitled to protection by law from deception in political campaigns in the same manner and for the same reasons that it is entitled to protection from deception by advertisers of commercial products.

E. C. § 20001

Restraining order or injunction.

The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, broadcasting, or telecasting of any matter in violation of this chapter, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof. **E. C. § 20006**

GENERAL CAMPAIGN INFORMATION (Continued)

Representation requirements.

No candidate or committee in their behalf shall represent in connection with an election campaign, either orally or in campaign material, that the candidate has the support of a committee or organization which includes as part of its name the name or any variation upon the name of a qualified political party with which the candidate is not affiliated, together with the words “county committee,” “central committee,” “county,” or any other term that might tend to mislead the voters into believing that the candidate has the support of the party’s county central committee or state central committee, when that is not the case.

This section shall not be construed to prevent a candidate or committee from representing that the candidate has the support of a committee or group of voters affiliated with another political party, which committee or group is identified by the name of that party, where the name of the committee or group also includes the name of the candidate.

Any member of a county central committee or state central committee may commence an action in the superior court to enjoin misrepresentation by a candidate or committee in their behalf, in the manner prohibited by this section, to the effect that the candidate has the support of the state or county central committee involved. **E. C. § 20007**

Political advertisement requirements.

Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger, the words “Paid Political Advertisement.” The words shall be set apart from any other printed matter.

As used in this section “paid political advertisement” shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office. **E. C. § 20008**

Simulated ballot requirements.

- (a) Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

**“NOTICE TO VOTERS”
(Required by Law)**

“This is not an official ballot, or an official sample ballot prepared by the county elections official or the Secretary of State.”

“This is an unofficial, marked ballot prepared by _____ (insert name and address of the person or organization responsible for preparation thereof).”

GENERAL CAMPAIGN INFORMATION (Continued)

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

- (b) No simulated ballot or simulated sample ballot referred to in subdivision (a) shall bear any official seal or the insignia of any public entity, nor shall that seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.
- (c) The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof.

E. C. § 20009

No pictures of candidates in campaign material.

- (a) Except as provided in subdivision (b) no person, firm, association, corporation, campaign committee, or organization may, with actual malice, produce, distribute, publish, or broadcast campaign material that contains (1) a picture or photograph of a person or persons into which the image of a candidate for public office is superimposed or (2) a picture or photograph of a candidate for public office into which the image of another person or persons is superimposed. "Campaign material" includes, but is not limited to, any printed matter, advertisement in a newspaper or other periodical, television commercial, or computer image. For purposes of this section, "actual malice" means the knowledge that the image of a person has been superimposed on a picture or photograph to create a false representation, or a reckless disregard of whether or not the image of a person has been superimposed on a picture or photograph to create a false representation.
- (b) A person, firm, association, corporation, campaign committee, or organization may produce, distribute, publish, or broadcast campaign material that contains a picture or photograph prohibited by subdivision (a) only if each picture or photograph in the campaign material includes the following statement in the same point size type as the largest point size type used elsewhere in the campaign material: "This picture is not an accurate representation of fact." The statement shall be immediately adjacent to each picture or photograph prohibited by subdivision (a).

GENERAL CAMPAIGN INFORMATION (Continued)

- (c) (1) Any registered voter may seek a temporary restraining order and an injunction prohibiting the publication, distribution, or broadcasting of any campaign material in violation of this section. Upon filing a petition under this section, the plaintiff may obtain a temporary restraining order in accordance with Section 527 of the Code of Civil Procedure.
- (2) A candidate for public office whose likeness appears in a picture or photograph prohibited by subdivision (a) may bring a civil action against any person, firm, association, corporation, campaign committee, or organization that produced, distributed, published, or broadcast the picture or photograph prohibited by subdivision (a). The court may award damages in an amount equal to the cost of producing, distributing, publishing, or broadcasting the campaign material that violated this section, in addition to reasonable attorney's fees and costs.
- (d) (1) This act shall not apply to a holder of a license granted pursuant to the Federal Communications Act of 1934 (47 U.S.C. § 151 et seq.) in the performance of the functions for which the license is granted.
- (2) This act shall not apply to the publisher or an employee of a newspaper, magazine, or other periodical that is published on a regular basis for any material published in that newspaper, magazine, or other periodical. For purposes of this subdivision, a "newspaper, magazine, or other periodical that is published on a regular basis" shall not include any newspaper, magazine, or other periodical that has as its primary purpose the publication of campaign advertising or communication, as defined by Section 304.

E. C. § 20010

PART 4

PRINTING OF SIMULATED SAMPLE BALLOTS

In addition to any other penalty, any person who prints or otherwise duplicates, or causes to be printed or duplicated, a simulated ballot or simulated sample ballot that does not contain the statement required by Section 20009 or that uses an official seal or insignia in violation thereof, is guilty of a misdemeanor.

E. C. § 18301

PART 5

DISTRIBUTION OF VOTE CENTER LOCATION INFORMATION

Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter that includes a designation of the voter's vote center location other than a vote center location listed for that voter in an official vote center list that constituted the latest official vote center list at sometime not more than 30 days prior to such mailing or distribution.

E. C. § 18302

PART 6

E. C. § 18371

Compelling another in voting.

- (a) Every person who makes use of or threatens to make use of any force, violence, or tactic of coercion or intimidation, to induce or compel any other person to vote or refrain from voting at any election or to vote or refrain from voting for any particular person or measure at any election, or because any person voted or refrained from voting at any election or voted or refrained from voting for any particular person or measure at any election is guilty of a felony punishable by imprisonment pursuant to subdivision (h) of section 1170 of the penal code for 16 months or two or three years.

FEDERAL LAW PROHIBITING FOREIGN NATIONALS FROM MAKING CONTRIBUTIONS OR EXPENDITURES

Federal law prohibits foreign nationals from making contributions or expenditures in connection with any U.S. election (federal, state, or local), either directly or through another person. This prohibition applies to foreign-owned corporations and associations, as well as to foreign governments, political parties and certain individuals and partnerships. Additionally, U.S. candidates for federal, state, and local offices are prohibited from accepting contributions from these sources.

The ban on political contributions and expenditures by foreign nationals was first enacted in 1966 as part of the amendments to the Foreign Agents Registration Act (FARA), an “internal security” statute. The goal of the FARA was to minimize foreign intervention in U.S. elections by establishing a series of limitations on foreign nationals. These included registration requirements for the agents of foreign principals and general prohibition on political contributions by foreign nationals. In 1974, the prohibition was incorporated into the Federal Campaign Act which gave the Federal Election Commission (FEC) jurisdiction over its enforcement and interpretation.

If you have any questions on this matter, please call the FEC in Washington, D.C. at 800 424-9530 or (202) 694-1120.

CHAPTER 4

MULTILINGUAL VOTING SERVICES

MULTILINGUAL VOTING SERVICES

BACKGROUND

Public Law 109-246 extended the Voting Rights Act of 1965 (VRA) to federally mandate that Los Angeles County provide written and oral election assistance to limited-English speakers. In January 2000, the Department of Justice further directed this office to **transliterate** the names of candidates in those languages that do not use Roman Characters.

(*Transliteration* is the process of reproducing phonetic sounds as closely as possible from one alphabet or writing system into another.)

TRANSLATION OF ELECTION MATERIALS

The **six** languages that are required pursuant to the Voting Rights Act in Los Angeles County are **Cambodian/Khmer, Chinese, Korean, Spanish, Tagalog/Filipino, and Vietnamese.**

Also, pursuant to California Elections Code Section 14201, Los Angeles County is required to provide assistance in the following languages: **Armenian, Bengali, Burmese, Farsi, Gujarati, Indonesian, Hindi, Japanese, Mongolian, Russian Telugu, and Thai.**

IMPLICATIONS TO CANDIDATE COST

The County will automatically provide *translated sample ballot booklets* to voters who request it two weeks before the election and after they received the English sample ballot booklet. However, as noted in the *Candidate Statements* (see Chapter 4) there is a cost for a Spanish translated candidate statement which appears in the English sample ballot booklet. This translation is optional, and the candidate needs to make a request for this service and pay for it when they file candidate statements with the county elections official.

TRANSLATION OF CANDIDATE STATEMENTS

Candidates are encouraged to keep the translation process in mind when developing their statements and use unmistakable and straightforward vocabulary. The use of jargon, colloquialisms, slang, or other expressions is strongly discouraged, as these are difficult to translate appropriately into other languages and their meaning may often be misinterpreted or lost.

It is not the policy of this Department to accept translated statements from candidates. This is to ensure that translated materials are culturally and linguistically appropriate. Certified subject matter experts and linguists, who have extensive experience translating election materials, translate these statements and other documents.

TRANSLITERATION OF CANDIDATE NAMES

For certain languages, this department will transliterate your name. Candidates will also be permitted to submit their own transliterations for each or all of these languages. A review period will be established to allow candidates to request changes prior to the translated sample ballot print deadline. Various community groups and news media assist this office by reviewing submitted transliterations to ensure uniform name recognition within the community. Once transliterations are considered final, no further changes or submission of transliteration requests will be accepted after the review period. **There will be no exceptions.**

All candidates will be required to file a transliteration form together with their nomination documents. Transliteration forms must be submitted no later than the last day to file nomination documents.

TRANSLITERATION REVIEW PERIOD

Candidates may review transliteration of their names. Requests for changes must be submitted to the county elections official only during the established review period. Timeframe: **E-62 through E-60** (subject to change). To review your transliterated name and obtain the schedule for the established review period, you may call (562) 462-2730.

CHARACTER-BASED NAME

There is a state form called the California Secretary of State CHARACTER-BASED NAME FORM. This is separate from the County's Transliteration Form. The Character-Based Name Form is used by candidates who are running for state level contests such as Assembly and Senate during statewide primary election cycles. If you are a candidate **running for a state office** and wish to use a character-based name given by birth or if you identify by a particular character-based name, you may fill out and submit this form with supporting documentation and description no later than the last day to file nomination documents. This is pursuant to EC 13211.7.

MULTILINGUAL VOTER SERVICES

The ML Voter Services Program includes services such as:

- ◆ ML Assistance Hotline 1-800-481-8683
- ◆ Mailing of translated election materials to voters before every election, upon request
- ◆ ML assistance at targeted vote center locations

Translated copies of the “ML Voter Services” information sheet are available at the RR/CC Election Information counter, 2nd Floor, Room 2013. For further assistance please contact the Ballot Management Section at (562) 462-2832.

CHAPTER 5

ELECTION RESULTS

ELECTION RESULTS/CANVASS/ ELECTION CONTESTS/RECOUNTS

TABULATION OF ELECTION RESULTS

Can a candidate view all parts of the ballot counting process? Yes, the ballot counting process is open to public observation. If you wish to observe the process, you may go to the Ballot Processing Center at 13401 Crossroads Parkway North, City of Industry, CA 91746, to check in and be provided with an observer's badge. Tours are available.

How/where are results available on election night?

- **Website:** Results are available on the Internet at www.lavote.gov
- **In person:** You are welcome to come to the Ballot Processing Center which is open for public observation. Please email outreach@rrcc.lacounty.gov or call (562) 277-0037 to coordinate a visit or to ask election-related questions.
- **Ballot Processing Center:** Hard copy bulletins are printed and distributed.

Are election night results final? No. California State law allows a specified period after the election for the completion of the official canvass. Results released on election night are semi-official.

POST ELECTION NIGHT RESULTS

Supplemental counts of outstanding ballots will be scheduled to begin approximately 3 days after the election. These counts are conducted to get the majority of Vote By Mail and provisional ballots tallied during the canvass process.

Outstanding ballots include:

- Vote By Mail ballots turned in at the vote center locations on election day.
- Write-in ballots
- Provisional ballots voted at the vote center locations.

Semi-official election results are updated following a supplemental count. If a race is very close, the outcome may not be known until the canvass is complete.

CANVASS/CERTIFICATION

Canvass is the process of reconciling election day data and the supplemental counting of Vote By Mail ballots turned in at the vote center locations, including provisionally cast and write-in ballots. The numbers of voted ballots reported by vote center staff and Vote By Mail ballots are matched to the computer tally. California law permits 30 days to complete the official canvass and certify the final results of the election. The law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of all of the voting precincts in an election. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe supplemental ballot counting and the manual tally of ballots from randomly selected voting precincts. After election night, the schedule of supplemental ballot counting is posted in our Norwalk office.

STATEMENT OF VOTES CAST

The Semifinal Official Canvass Statement of Votes Cast (SVC) which reports election results by individual voting precincts is available the Thursday after the election at the elections office. For most elections, this report is also posted on the department's website. Once the election is certified, the final Statement of Votes Cast is made available at our office and on the website.

ELECTION CONTEST

An election contest may involve a recount, but it is not the same as a requested recount. It is a court action and can be filed for a variety of reasons and at different times. For complete information, refer to Elections Code Division 16, Election Contests.

DOCUMENT RETENTION

Certain precinct supplies and all voted ballots must be preserved for 22 months when a federal office is on the ballot and 6 months for most all other elections. If no legal action is pending at the end of this period, the documents may be destroyed or recycled. Unused ballots may be destroyed or recycled after the election.

REQUESTING A RECOUNT

A recount is conducted by the elections official for the purpose of verifying the number of votes counted for any office or measure in an election. California Elections Code Division 15, Chapter 9, Sections 15620 through 15634 govern voter requested recounts.

- Upon completion of a recount, if a different candidate, slate of electors, or position on a measure receives a plurality of votes, the results of the official canvass will be changed and the election results re-certified. (E.C. § 15632)
- A copy of the results of any recount conducted shall be posted conspicuously in the office of the elections official. (E.C. § 15633)
