Twelfth Post-Election Night Ballot Count Update for the 2024 Presidential Primary Election

LOS ANGELES – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the twelfth post-Election Night ballot count update for the March 5, 2024 Presidential Primary Election.

The update includes **556** ballots processed since the eleventh Post-Election Night update. The total election results count is now **1,640,811**, which is **28.88%** of registered voters. Election results can be viewed on LAVOTE.GOV.

The next ballot count update will be on Tuesday, March 26. The full schedule of updates can be viewed on the [Canvass Update Schedule](#). **The RR/CC is scheduled to certify election results on March 29, 2024.**

All outstanding ballots left to be processed are pending signature cures from voters whose signature on the Return Envelope was missing or did not match their registration record. These voters have been notified with instructions on how to cure their ballot to be counted. The RR/CC will accept cure notices through March 27, 2024.

Outstanding estimates are Countywide and are not currently available by jurisdiction as ballots are received and processed in batches throughout the county. The RR/CC prioritizes the timely processing, verifying, and counting outstanding ballots in the [Official Election Canvass](#).
