#### Fifth Post-Election Night Ballot Count Update for the 2026 Statewide Direct Primary Election

**LOS ANGELES** – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the fifth post-Election Night ballot count update for the June 2, 2026 Statewide Direct Primary Election.

The update includes **122,807 ballots processed since the fourth post-Election Night update**. The total election results count is now **1,897,653, which is 32.21% of registered voters**. Election results can be viewed on [LAVOTE.GOV](https://LAVOTE.GOV).

**The next ballot count update will be on Monday, June 8.** The full schedule of updates can be viewed on the [Canvass Update Schedule](#).

The **estimate of outstanding ballots** to be processed is 368,180. See estimates below:

- **Vote by Mail ballots (VBM):** 355,000
- **Conditional Voter Registration ballots:** 11,340
- **Provisional ballots:** 1,840

The estimated number of outstanding Vote by Mail ballots includes ballots postmarked by Election Day, and received from the United States Postal Service today, as well as ballots returned at Official Ballot Drop Boxes and Vote Centers on Election Day.

The estimate is subject to change as ballots continue to be prepared, scanned, and processed. The estimate does not include additional valid Vote by Mail ballots that may be received after the estimate is prepared, including ballots postmarked by Election Day and received through Tuesday, June 9 (E+7).

Outstanding estimates are Countywide and are not currently available by jurisdiction as ballots are received and processed in batches throughout the county. The RR/CC prioritizes the timely processing, verifying, and counting of outstanding ballots in the [Official Election Canvass](#).

The Official Election Canvass is a 30-day period in which the RR/CC processes and verifies all outstanding ballots to ensure that every eligible ballot cast by Election Day is counted.

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible, and transparent manner.
