Tenth Post-Election Night Ballot Count Updates for the 2026 General Election

LOS ANGELES – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the tenth post-Election Night ballot count update for the November 3, 2026 General Election.

The updates include **22,866 additional ballots processed and counted**, bringing the total to **3,155,478 ballots**, representing **53.41% voter turnout**.

Updated election results are available to view and download at RESULTS.LAVOTE.GOV.

NEXT RESULTS UPDATE AND OUTSTANDING BALLOT ESTIMATE

The next election results update is scheduled for Friday, November 13, at 4 PM. The full update schedule is available in the Canvass Update Schedule.

The RR/CC's **estimate of outstanding ballots remaining to be processed and counted is 37,500**, with the following breakdown:

- **Vote by Mail ballots:** 17,000
- **Conditional Voter Registration ballots:** 15,500
- **Provisional ballots:** 5,000

The estimated outstanding Vote by Mail ballots include ballots received from the United States Postal Service, ballots returned at Official Ballot Drop Boxes and Vote Centers on Election Day, **and Los Angeles County ballots received from neighboring counties**.

These figures are subject to change as we receive, scan, prepare, and process additional ballots. Outstanding ballot estimates are countywide and are not currently available by jurisdiction, as ballots are received and processed in batches from locations throughout Los Angeles County.

BALLOT PROCESSING CONTINUES

Election results will continue to change throughout the official canvass as additional eligible ballots are processed and counted.

The RR/CC prioritizes timely processing, verification, and counting of outstanding ballots during the Official Election Canvass. The official canvass includes reviewing and verifying outstanding ballots, conducting required reconciliation and auditing procedures, and completing the steps necessary to certify the election.

Ballot processing operations remain open to media and public observation. Media representatives and observers should enter through the public entrance and check in with RR/CC staff, who will verify credentials as applicable and direct visitors to designated media and observation areas.

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible, and transparent manner. For more information, visit LAVOTE.GOV and follow us on social media **@LACountyRRCC**.
