Ninth Post-Election Night Ballot Count Update for the 2026 Statewide Direct Primary Election

LOS ANGELES – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the ninth post-Election Night ballot count update for the June 2, 2026 Statewide Direct Primary Election.

The update **includes 5,770 ballots processed since the eighth post-Election Night update**. The total election results count is now **2,223,566, which is 37.74% of registered voters**. Election results can be viewed on LAVOTE.GOV.

All remaining ballots are pending voter response and signature verification. Voters whose ballots require [signature curing](#) have been notified and have until June 24, 2026, to return the notice to have their ballot counted.

The next ballot count update will be on Tuesday, June 16. The full schedule of updates can be viewed on the [Canvass Update Schedule](#).

With the vast majority of ballots now processed, post-Election Day activities are expected to gradually decrease in the coming days. The RR/CC will adjust its operations to reflect the reduced volume of outstanding ballots. Hours of operation are available on our [Public Observation page](#).
