BALLOT DESIGNATION PROVISIONS

SELECTING YOUR BALLOT DESIGNATION – The **ballot designation** describes the current profession, vocation, occupation or incumbency status of the candidate that will appear on the ballot under the candidate's name.

Ballot designations:

- Can be no more than three words
- Must appear on the Declaration of Candidacy
- Becomes public record once the information is filed on the Declaration of Candidacy; ballot designations **cannot be changed after the final date to file nomination documents**

The listing of a designation on the ballot is OPTIONAL. Only one of the following categories is allowed:

Example A: Governing Board Member

Example B: Board member, XYZ School District

- 2) **Incumbent:** The word **Incumbent** may be used **IF** the candidate is seeking re-election to the same office and was elected to that office by a vote of the people or was appointed as a nominated candidate in lieu of an election.
- 3) **Appointed Incumbent:** The words **Appointed Incumbent** must be used **IF** the candidate was appointed to the office (**other than a judicial office**) and is seeking election to that office. The word Appointed may also be used with the office title.

Exception: Candidates appointed to office in lieu of an election **do not** have to use the word appointed.

BALLOT DESIGNATION PROVISIONS (continued)

- 4) **Principal Occupation:** No more than **three words** to either describe the current principal profession, vocation, or occupation of the candidate **or** the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. Geographical names are considered one word.

Example B: Attorney/Educator/Rancher

Example C: CEO/Councilmember

- 5) **Community Volunteer:** A Community Volunteer shall constitute a valid principal vocation or occupation subject to the following conditions:
- a) A candidate's community volunteer activities constitute their principal profession, vocation or occupation.

 - c) A candidate is not engaged concurrently in another principal profession, vocation or occupation.
- 6) **No Occupation Desired:** If no ballot designation is requested, write the word "NONE" and place your initials in the space provided for ballot designation on the Declaration of Candidacy form.

BALLOT DESIGNATION FORMAT - If a ballot designation exceeds the space allotted on the ballot, it will be printed in a smaller font to fit. By default, all designations are printed using both uppercase and lowercase letters. If the designation is too long, the elections official will adjust the font size accordingly to meet space requirements.

RESTRICTIONS - Ballot designation rules can be complex and occasionally confusing. For further guidance, the California Secretary of State's ballot designation regulations are available at the public counter in the Election Information Section, 2nd Floor, Room 2013.

BALLOT DESIGNATION WORKSHEET - A Ballot Designation Worksheet that supports the use of that ballot designation is required to be filed with the Registrar-Recorder/County Clerk at the same time as the Declaration of Candidacy. If a candidate fails to file a Ballot Designation Worksheet, no designation will appear on the ballot. (E.C. § 13107.3)

REJECTION OF BALLOT DESIGNATION - If the designation is in violation of any of the restrictions set forth in the California Elections Code, the candidate will be notified by certified mail with a return receipt addressed to the mailing address appearing on the candidate's ballot designation worksheet. If an alternative designation is not provided within the time allowed, no designation will appear on the ballot. (E.C. § 13107(f))

BALLOT DESIGNATION PROVISIONS (continued)

UNACCEPTABLE DESIGNATIONS – Pursuant to Elections Code § 13107(e), the elections official shall not accept a ballot designation if:

- a. It would mislead the voter.
- b. It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- c. It abbreviates the word “retired” or places it following any word(s) that it modifies.
- d. It includes a word or prefix, such as “former” or “ex-,” which means a prior status. The only exception is the use of the word “retired.”
- e. It includes the name of any political party, whether or not it has qualified for the ballot.
- f. It uses a word(s) referring to a racial, religious or ethnic group.
- g. It refers to any activity that is prohibited by law.

GUIDELINES TO ACCEPTABLE BALLOT DESIGNATIONS (BASIC TEST):

CHAPTER 3

CANDIDATE STATEMENTS

CANDIDATE STATEMENTS

California law permits specified candidates to file a candidate statement to be printed and mailed to voters in the Official Sample Ballot Booklet. A local agency may opt to pay for the cost of the statement.

PLEASE CONSIDER THIS INFORMATION BEFORE PURCHASING A CANDIDATE STATEMENT.

The Registrar-Recorder/County Clerk makes every effort to mail Sample Ballots/Candidate Statements as early as possible during the voting period and before the voters' receipt of their Vote By mail ballots. However, this is not always feasible because of the volume of material and the complexity of coordinating mail distribution. For mailing timelines and more information, see Section 1, Chapters 1 and 3, of the Candidate Handbook and Resource Guide.

The estimated cost is determined before all information is available; therefore, it approximates the actual cost that varies from election to election and may be significantly more or less depending on the actual number of candidates filing statements.

GENERAL INFORMATION: Filing of a statement is optional and applies to local nonpartisan offices. The elections official sends to each registered voter an Official Sample Ballot Booklet, which contains the candidate statements prepared and submitted.

FILING PERIOD: Statement must be filed no later than the close of business hours on the last day of the candidate nomination period.

WITHDRAWAL: A candidate statement cannot be changed or revised once it is filed. A candidate statement may be withdrawn by 5 p.m. of the next business day after the last day to file the statement.

CONTENTS: Statement may include the candidate's age and occupation, and a 200-word description of the candidate's education and qualifications. Some jurisdictions increase the word limit to 400 words.

LOCAL NON-PARTISAN OFFICES (County Supervisor, District Attorney, Superior Court Judge, and any other eligible candidate) - Local Agencies determine the maximum amount of words allowed (**200 or 400**), the responsibility for payment (either the candidate or agency), and whether it is to be paid in advance.

STATE LEGISLATIVE AND UNITED STATES REPRESENTATIVE - California law permits congressional candidates and state legislative candidates to file a candidate statement to be printed in the Official Sample Ballot Booklet. State Legislative candidates who wish to file a statement must voluntarily choose to limit their campaign expenditures in accordance with **Proposition 34** by filing a **Fair Political Practices** Commission "FPPC" Form 501. Filing of a candidate statement is not mandatory but is permitted if the candidate pays the appropriate fee. The word limit for a statement is 250 words. (**E.C. 13307.5 and Govt. Code 85601**)

RESTRICTIONS: The candidate statement shall not include the party affiliation of the candidate nor reference any membership or activity in political organizations.

PUBLIC EXAMINATION PERIOD: Candidate statements shall be confidential until the close of the nomination period. Once the nomination period closes, the statements are open to public examination for a ten (10) calendar day period. During the examination period, candidate

listings, candidate statements, candidate names and ballot designations (or occupation) on ballot shall be open to public examination. Any person may file a writ of mandate or an injunction to challenge and possibly amend any or all of the material/data (E.C. 13313). If the filing period is extended for a particular office, the examination period for that office shall be adjusted. A fee may be charged to any candidate/person obtaining a copy of the material. **City candidates** should contact the City Clerk for information on viewing candidate statement content.

CANDIDATES FILING IN SHARED DISTRICTS - Your candidate statement must be filed with the county elections official in each county where you wish to have your statement printed (e.g., if you wish to have your statement printed in both Los Angeles and Ventura Counties, then you must submit one (1) copy of your statement and the appropriate fee to each county where you intend to have your statement appear in the Official Sample Ballot Booklet). The elections official will not forward your candidate statement or estimated shared cost to neighboring counties.

The Registrar-Recorder/County Clerk makes every effort to mail Spanish and/or candidate statements as early as possible during the ballot period and only in the event that it is not possible to do so. However, this is not always possible due to the volume of material and the complexity of coordinating and distribution. ESTIMATED COST
The estimate is just an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on number of voter registration, the length and/or format of the statement submitted, printing cost, and if it is published online only. Accordingly, the elections official is not bound by the estimate and may, on a pro rata basis, bill the candidate for additional actual expenses to or refund any excess paid depending on the final actual cost. In the event of overpayment, the elections official shall prorate the excess amount among the candidates and refund the excess amount paid.

Pursuant to California law, the local agency has authorized a word maximum of ☐ 200 or ☐ 400, and requires that the estimated cost be paid by one of the following:

☐ In advance, by all candidates, ☐ District will pay for all candidate statements,
☐ District will bill candidate after the election, ☐

The estimated cost of your printed English statement is _____
The estimated cost of your printed English & Spanish statement is _____
The estimated cost of an English Online Only Candidate Statement is \$279.00. Please be advised that your candidate statement will only appear online and NOT in the Official Sample Ballot Booklet, if you select ONLINE ONLY (English).

FORMAT AND STYLE INFORMATION

1. Statements must be neatly typed. The statement will be typed in the Official Sample Ballot booklet using Times New Roman font in 11-point size. However, a candidate statement can be submitted using any standard font. Please note, if using any standard font other than Times New Roman in 11 point size, the printed candidate statement may extend to two (2) or more pages once formatted. A sample of the format and style is pictured below.
2. Statements will be printed in uniform type, style and spacing, using block paragraphs and single space format. Text submitted indented or centered will be typed on block paragraph form. Entire statements in all capital letters, bold and italics (or any combination of enhancements) are not acceptable. Indentations cannot be accommodated. Enhanced words that are printed in boldface type, underscored and/or CAPITALIZED are to be clearly indicated. The pronoun "I" is not counted as an enhanced word. **Refer to page 36 for the Word Counting Guidelines.**
3. All statements should be checked by the candidate for spelling and punctuation as the elections official is not permitted to edit any material contained therein. It is recommended that you do not use dashes or hyphens at the end of a line.
4. Candidates can ask to have their statement printed in Spanish, in addition to English, in the Official Sample Ballot booklet sent to all voters. There is an extra fee for the Spanish version. By California law, only English and Spanish statements can be printed in the booklet at the candidate's or local agency's expense. Translations in other languages may be available under federal law.

TRANSLATIONS – Translations of candidate statements for voter information booklets may be provided in Armenian, Bengali, Burmese, Cambodian/Khmer, Chinese, Farsi, Gujarati, Hindi, Indonesian, Japanese, Korean, Mongolian, Russian, Telugu, Thai and Vietnamese for qualifying jurisdictions in accordance with Federal Voting Rights Act provisions and Department of Justice specifications. These booklets are sent only to voters who have requested translated material. Additional booklets are provided at the polling places on Election Day.

INDIGENT CANDIDATES – If a candidate alleges to be indigent and is unable to pay the advance fee for submitting a candidate statement, the candidate shall submit an Affidavit of Financial Worth to the local agency to be used in determining the candidate's indigence eligibility. The affidavit shall be submitted by the candidate with their candidate statement by the specified deadline. The candidate shall certify under penalty of perjury the truth and correctness of the content of the affidavit. A determination shall be made whether or not the candidate is indigent and the local agency will notify the candidate of its findings. If a determination is made that the candidate is indigent, the local agency shall print and mail the statement without payment of the advance fee. The candidate will be billed the actual pro rata share of the cost following the election. If a determination is made that the candidate is **not** indigent, the candidate shall withdraw the statement or pay the requisite fee within three days of notification, excluding Saturdays, Sundays and State holidays.

NOTICE TO PERSONS SUBMITTING CANDIDATE STATEMENTS
--

CANDIDATE STATEMENTS LIMITED TO CANDIDATE'S OWN QUALIFICATIONS

This applies to all candidates.

The California Elections Code and case law prohibit **CANDIDATES** from making any reference to another candidate or to another candidate's qualification, character or activities. If the **COUNTY ELECTIONS OFFICIAL** discovers improper content in a candidate statement, the **COUNTY ELECTIONS OFFICIAL** will notify the candidate and give the individual an opportunity to correct the improper language in the candidate statement. If the candidate refuses to correct the improper language, the **COUNTY ELECTIONS OFFICIAL**, as well as any other voter, may bring legal action against the candidate to correct the statement. The prevailing party may also be entitled to obtain attorney's fees for bringing the action.

The **COUNTY ELECTIONS OFFICIAL** will not accept language in a candidate statement that in any way makes reference to other candidates or to another candidate's qualifications, character, or activities pursuant to California Elections Code Section 13308. The **COUNTY ELECTIONS OFFICIAL** will remove the improper language from the statement and not allow it to be printed. The candidate will be notified of the improper language and its removal from the statement.

All prospective candidates may want to refer to California Elections Code Sections 13307, 13308, 13311, 13313, and 13314, as well as the California Court of Appeal ruling in *Dean v. Superior Court*, (1998 4th Dist.) 62 Cal. App.4th 638. However, this list is not exhaustive, and candidates are solely responsible for preparation and submittal of candidate's statements that are in conformance with the law. A copy of the above-described Elections Code Sections and the *Dean* decision are available from our office at no cost.

<p style="text-align: center;">WORD COUNTING GUIDELINES (Elections Code Chapter 1, General Provisions, Section 9)</p>
--

The following guidelines are used by the Registrar-Recorder/County Clerk's Office for counting words on candidate statements, ballot measure text, arguments, rebuttals and other ballot enclosures. The guidelines do **not** apply to ballot designations for candidates. If the text exceeds the specified 200- or 400-word limit, the author will be asked to delete words or change text until the statement conforms with requirements.

1. **PUNCTUATION MARKS** are not counted. Symbols such as "&" (and), and "#" (number/pound) are not considered punctuation and each symbol is counted as one (1) word.
2. **THE WORDS** "I", "a", "the", "and" "an" are counted as individual words.
3. **PROPER NOUNS**, such as geographical names, and names of persons or things, as one (1) word.

EXAMPLE: "Gus Enwright" = 1 word
"City of Los Angeles" = 1 word
"Dalai Lama" = 1 word

4. **ABBREVIATIONS** such as acronyms or abbreviations for a word, phrase, or expression are counted as one (1) word.

WRITE-IN CANDIDATES

GENERAL INFORMATION FOR WRITE-IN CANDIDATES

(Elections Code § 8600 - 8606)

IMPORTANT: A person may **not** be a write-in candidate at the general election **for a voter-nominated office**.

A person who has not followed the usual procedure for placing their name on the ballot for the election may still be elected to office as a write-in candidate.

There is no party affiliation requirement for signers of write-in nomination petitions in the general election. The candidate does not have to be registered with any qualified political party. Additionally, they must be registered to vote in California unless the candidate is running for a congressional or judicial office.

NOMINATION PAPERS – Candidate must file the requisite number of signatures on the nomination papers, if any, required pursuant to Sections 8062, 10220, and 10510, or, in the case of a special district not subject to the Uniform District Election Law, the number of signatures required by the principal act of the district.

Write-in candidacy forms must be filed with the Registrar-Recorder/County Clerk **NO LATER THAN 5:00 P.M. ON THE 14th DAY** prior to the election.

A write-in candidate **is not required** to pay a filing fee.

FILING DEADLINE		
APR. 6 (Mon) through MAY 19 (Tue) 5:00 P.M.	E- 57 - 14	FIRST AND LAST DAY TO FILE STATEMENT OF WRITE-IN CANDIDACY.

All candidates are urged to file the following documents as early as possible:

STATEMENT OF WRITE-IN CANDIDACY – Refer to General Information on Filing Procedures for Candidates in Chapter 2 of Section 1 of this handbook.

CANDIDATE CAMPAIGN STATEMENT FORMS – If you have any questions regarding the completion of this form, contact the Campaign Finance Section at (562) 462-2339.

ELECTION RESULTS FOR WRITE-IN CANDIDATES

Write-in election results are not determined until the canvass is completed. California election law allows a prescribed number of days for the conduct of the official canvass. During the official canvass, write-in ballots must be individually reviewed to determine if the write-in vote is for a qualified or unqualified write-in candidate and whether a voter has over voted. All aspects of the canvass shall be open to the public. **Write-in votes are counted and certified in an election only if qualified candidates have filed the required nomination documents with the elections official.**

OFFICES OMITTED FROM BALLOT – Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot. For judicial, school and UDEL contests, if the number of persons qualifying for the ballot does not exceed the number of offices to be filled, the election is cancelled and eligible candidates are appointed in lieu of the election. California law however, provides that for such offices a petition indicating that a write-in campaign will be conducted must have been filed with the elections official to require the office(s) be placed on the ballot by means of a petition drive.

(E. C. §§ 8203 and 10515; Ed. Code § 5326)

NAME DOES NOT APPEAR ON BALLOT – If candidate's name does not appear on the official ballot, the candidate is not entitled to a candidate statement in the Official Sample Ballot Booklet.

WRITE-IN CANDIDATES TO BE ELECTED

1. Depending on the contest, the person who receives a plurality of the votes cast is elected to that office. This includes write-in candidates. **(E. C. § 15452)**
2. In order for a candidate, including a write-in candidate, to win election to a judicial or county office, the candidate must receive a majority of the ballots cast for candidates for that office. **(E. C. §§ 8140, 8141 and 15450)**
3. A write-in candidate for a school district governing board member or special district board of director member contest must receive more votes than any other candidate running for that office. When more than one office is to be filled, those candidates, including qualified write-in candidates, who receive the highest number of votes for however many seats are to be filled are elected.
4. Voters may write in any name they wish for any office regardless of whether the candidate is qualified or not. However, votes will only be tabulated for **officially qualified** write-in candidates.

REVIEW OF REPORTING REQUIREMENTS
Campaign Disclosure Filing Requirements for
Candidates and Committees

PLEASE READ CAREFULLY....

The Political Reform Act imposes certain duties and obligations on candidates, officeholders, committee treasurers and others participating in the political process. For example:

- Detailed records must be maintained for all financial activity, and contributions received for political purposes must not be commingled with personal funds.
- Campaign statements must be filed at specified times disclosing contributions received, expenditures made, and other financial information. In some cases, candidates can avoid filing long form campaign statements by submitting a “Candidate and Officeholder Campaign Statement Short Form (Form 470).”
- Campaign statements must be hand delivered, postmarked as first-class mail, or filed electronically by the legal filing deadline date established by law. NOTE: The **second pre-election statement *must*** be filed in person, guaranteed overnight delivery, or filed electronically. Mail which is not received by the filing officer shall be presumed not to have been sent unless the filer possesses a postal receipt establishing the date of the deposit, and the name and address of the addressee.
- The Political Reform Act provides a formula for assessing late fines of original campaign statements filed in our office. The fine is \$10 per day, starting the day after the filing deadline, until the statement is filed; however, no liability may exceed the cumulative amount of reported contributions, expenditures, of the Form 460 or \$100, whichever is greater.

Failure to submit a required statement is a misdemeanor. Persons who fail to submit required statements are referred to the Fair Political Practices Commission.

UNSUCCESSFUL CANDIDATES

Defeated candidates must file campaign disclosure reports until the campaign committee has been terminated by filing Form 410 (see part 5).

It is recommended that campaign disclosure statements be mailed by certified mail or by purchasing a certificate of mailing. This will eliminate any question regarding receipt of your statement.

Unsigned forms are incomplete and are not considered filed until they are signed.

PART 1
LEGISLATIVE INTENT

Pursuant to Chapter 976, 1977 Statutes, the Legislature finds and declares:

- (a) That a need exists for adequate identification of the source of campaign Appeals directed at the voters in order to assist them in making rational decisions at the polls.
- (b) That by requiring such identification of campaign literature, the public is better able to evaluate the source of campaign material, may be more adequately informed, and can better distinguish between truth and falsity.
- (c) That by requiring identification, anonymous attacks, which cannot adequately be responded to in the heat of a campaign, will be discouraged.
- (d) That by requiring identification, a candidate who believes they have been libeled may more readily seek redress in a civil action for damages.
- (e) That limiting identification requirements to pejorative campaign material is inadequate because subtle attacks on candidates or measures can be framed which appear to be supportive but, in fact, are pejorative.
- (f) That a distinction needs to be made between campaign materials of small size that usually carry little more than a "Vote for _____" message, such as is often the case with buttons, matchbooks, pens, and the like, on the one hand, and campaign materials which carry more complex messages, on the other. In the case of the former, because of their characteristically small size and limited content, it would be an undue burden to require that identification as to source be included.

PART 2
MASS MAILINGS

Definition.

"Mass mailing" means over two hundred substantially similar pieces of mail but does not include a form letter or other mail which is sent in response to an unsolicited request, letter, or other inquiry.

Gov. Code § 82041.5

Manner of sending mass mailings.

- (a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of such mailing in no less than 6-point type. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

GENERAL CAMPAIGN INFORMATION (Continued)

- (b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.
- (c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision. **Gov. Code § 84305**

Newsletter or mass mailing.

No newsletter or other mass mailing shall be sent at public expense. **Gov. Code § 89001**

PART 3

TRUTH IN ENDORSEMENTS LAW

Legislature's findings.

The Legislature hereby finds the following to be true:

- (1) The major political parties have become an integral part of the American governmental system requiring regulation as to their structure, governing bodies, and functions by state government in the public interest.
- (2) The Legislature has found it necessary and appropriate in the regulation of political parties to create and provide for the convening of state conventions, state central committees, and county central committees for parties qualified by law to participate in the direct primary election, by statute.
- (3) Over the several years preceding the adoption of this section organizations of electors using as a part of their names the name of a political party qualified to participate in the direct primary election have endorsed candidates for nomination of that party for partisan office in the direct primary election and have publicized and promulgated such endorsements in a manner which has resulted in considerable public doubt and confusion as to whether such endorsements are those of a private group of citizens or of an official governing body of a political party.

The statement shall be immediately adjacent to each picture or photograph prohibited by subdivision (a).

PART 11

FEDERAL LAW PROHIBITING FOREIGN NATIONALS FROM MAKING CONTRIBUTIONS OR EXPENDITURES

Federal law prohibits foreign nationals from making contributions or expenditures in connection with any U.S. election (federal, state, or local), either directly or through another person. This prohibition applies to foreign-owned corporations and associations, as well as to foreign governments, political parties and certain individuals and partnerships. Additionally, U.S. candidates for federal, state, and local offices are prohibited from accepting contributions from these sources.

The ban on political contributions and expenditures by foreign nationals was first enacted in 1966 as part of the amendments to the Foreign Agents Registration Act (FARA), an “internal security” statute. The goal of the FARA was to minimize foreign intervention in U.S. elections by establishing a series of limitations on foreign nationals. These included registration requirements for the agents of foreign principals and general prohibition on political contributions by foreign nationals. In 1974, the prohibition was incorporated into the Federal Campaign Act which gave the Federal Election Commission (FEC) jurisdiction over its enforcement and interpretation.

If you have any questions on this matter, please call the FEC in Washington, D.C. at 800 424-9530 or (202) 694-1120.

CHAPTER 4

MULTILINGUAL VOTING SERVICES

MULTILINGUAL VOTING SERVICES

BACKGROUND

Public Law 109-246 extended the Voting Rights Act of 1965 (VRA) to federally mandate that Los Angeles County provide written and oral election assistance to limited-English speakers. In January 2000, the Department of Justice further directed this office to **transliterate** the names of candidates in those languages that do not use Roman Characters.

(*Transliteration* is the process of reproducing phonetic sounds as closely as possible from one alphabet or writing system into another.)

TRANSLATION OF ELECTION MATERIALS

The **six** languages that are required pursuant to the Voting Rights Act in Los Angeles County are **Cambodian/Khmer, Chinese, Korean, Spanish, Tagalog/Filipino, and Vietnamese.**

Also, pursuant to California Elections Code Section 14201, Los Angeles County is required to provide assistance in the following languages: **Armenian, Bengali, Burmese, Farsi, Gujarati, Indonesian, Hindi, Japanese, Mongolian, Russian Telugu, and Thai.**

IMPLICATIONS TO CANDIDATE COST

The County will automatically provide *translated sample ballot booklets* to voters who request it two weeks before the election and after they received the English sample ballot booklet. However, as noted in the *Candidate Statements* (see Chapter 4) there is a cost for a Spanish translated candidate statement which appears in the English sample ballot booklet. This translation is optional, and the candidate needs to make a request for this service and pay for it when they file candidate statements with the county elections official.

TRANSLATION OF CANDIDATE STATEMENTS

Candidates are encouraged to keep the translation process in mind when developing their statements and use unmistakable and straightforward vocabulary. The use of jargon, colloquialisms, slang, or other expressions is strongly discouraged, as these are difficult to translate appropriately into other languages and their meaning may often be misinterpreted or lost.

It is not the policy of this Department to accept translated statements from candidates. This is to ensure that translated materials are culturally and linguistically appropriate. Certified subject matter experts and linguists, who have extensive experience translating election materials, translate these statements and other documents.

TRANSLITERATION OF CANDIDATE NAMES

For certain languages, this department will transliterate your name. Candidates will also be permitted to submit their own transliterations for each or all of these languages. A review period will be established to allow candidates to request changes prior to the translated sample ballot print deadline. Various community groups and news media assist this office by reviewing submitted transliterations to ensure uniform name recognition within the community. Once transliterations are considered final, no further changes or submission of transliteration requests will be accepted after the review period. **There will be no exceptions.**

All candidates will be required to file a transliteration form together with their nomination documents. Transliteration forms must be submitted no later than the last day to file nomination documents.

TRANSLITERATION REVIEW PERIOD

Candidates may review transliteration of their names. Requests for changes must be submitted to the county elections official only during the established review period. Timeframe: **E-62 through E-60** (subject to change). To review your transliterated name and obtain the schedule for the established review period, you may call (562) 462-2010.

CHARACTER-BASED NAME

There is a state form called the California Secretary of State CHARACTER-BASED NAME FORM. This is separate from the County's Transliteration Form. The Character-Based Name Form is used by candidates who are running for state level contests such as Assembly and Senate during statewide primary election cycles. If you are a candidate **running for a state office** and wish to use a character-based name given by birth or if you identify by a particular character-based name, you may fill out and submit this form with supporting documentation and description no later than the last day to file nomination documents. This is pursuant to EC 13211.7.

MULTILINGUAL VOTER SERVICES

The ML Voter Services Program includes services such as:

- ◆ ML Assistance Hotline 1-800-481-8683
- ◆ Mailing of translated election materials to voters before every election, upon request
- ◆ ML assistance at targeted vote center locations

Translated copies of the “ML Voter Services” information sheet are available at the RR/CC Election Information counter, 2nd Floor, Room 2013. For further assistance please contact the Language Accessibility Services at (562) 462-2010.

TABULATION OF ELECTION RESULTS

Can a candidate view all parts of the ballot counting process? Yes, the ballot counting process is open to public observation. If you wish to observe the process, you may go to the Ballot Processing Center at 13401 Crossroads Parkway North, City of Industry, CA 91746, to check in and be provided with an observer's badge. Tours are available.

How/where are results available on election night?

- **Website:** Results are available on the Internet at www.lavote.gov
- **In person:** You are welcome to come to the Ballot Processing Center which is open for public observation. Please email outreach@rrcc.lacounty.gov or call (562) 277-0037 to coordinate a visit or to ask election-related questions.
- **Ballot Processing Center:** Hard copy bulletins are printed and distributed.

Are election night results final? No. California State law allows a specified period after the election for the completion of the official canvass. Results released on election night are semi-official.

POST ELECTION NIGHT RESULTS

Supplemental counts of outstanding ballots will be scheduled to begin approximately 3 days after the election. These counts are conducted to get the majority of Vote By Mail and provisional ballots tallied during the canvass process.

Outstanding ballots include:

- Vote By Mail ballots turned in at the vote center locations on election day.
- Write-in ballots
- Provisional ballots voted at the vote center locations.

Semi-official election results are updated following a supplemental count. If a race is very close, the outcome may not be known until the canvass is complete.

CANVASS/CERTIFICATION

Canvass is the process of reconciling election day data and the supplemental counting of Vote By Mail ballots turned in at the vote center locations, including provisionally cast and write-in ballots. The numbers of voted ballots reported by vote center staff and Vote By Mail ballots are matched to the computer tally. California law permits 30 days to complete the official canvass and certify the final results of the election. The law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of all of the voting precincts in an election. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe supplemental ballot counting and the manual tally of ballots from randomly selected voting precincts. After election night, the schedule of supplemental ballot counting is posted in our Norwalk office.

STATEMENT OF VOTES CAST

The Semifinal Official Canvass Statement of Votes Cast (SVC) which reports election results by individual voting precincts is available the Thursday after the election at the elections office. For most elections, this report is also posted on the department's website. Once the election is certified, the final Statement of Votes Cast is made available at our office and on the website.

ELECTION CONTEST

An election contest may involve a recount, but it is not the same as a requested recount. It is a court action and can be filed for a variety of reasons and at different times. For complete information, refer to Elections Code Division 16, Election Contests.

DOCUMENT RETENTION

Certain precinct supplies and all voted ballots must be preserved for 22 months when a federal office is on the ballot and 6 months for most all other elections. If no legal action is pending at the end of this period, the documents may be destroyed or recycled. Unused ballots may be destroyed or recycled after the election.

REQUESTING A RECOUNT

A recount is conducted by the elections official for the purpose of verifying the number of votes counted for any office or measure in an election. California Elections Code Division 15, Chapter 9, Sections 15620 through 15634 govern voter requested recounts.

FAQ'S

FREQUENTLY ASKED QUESTIONS

Q. How may I apply for office?

A. You may visit the Election Information Section located on the 2nd Floor, Room 2013 or by calling 1-800-815-2666 option 4 for information on the offices up for election, qualifications, filing dates, and to determine if you are eligible to run for office. You may also visit the Department's website at www.lavote.gov.

It is recommended that individuals who wish to take out nomination documents arrive at least 1 hour before 5:00 p.m. if possible, to avoid delays (heavy lobby, stair well and elevator traffic) especially on the **deadline** to file nomination documents (**March 6, 2026**). The time frame to process candidates varies and depends on how efficiently the staff qualifies the candidate and how accurately the candidate completes required documents.

FREQUENTLY ASKED QUESTIONS

Q. Will I be able to obtain up-to-date filing information?

This means that you will be required to submit a signed written statement to withdraw your original statement then file a new statement during the nomination filing period. If you wish to withdraw your statement and not submit a new statement, you have until 5:00 p.m. of the next working day after the close of the nomination period. After this period, your statement cannot be withdrawn. **(E.C. § 13307(3))**

Please review your candidate statement carefully for proper grammar and format before submitting. Any voter of the jurisdiction in which the election is being held, or the election official may file a writ of mandate or an injunction to require any or all of the data/materials to be amended or deleted during the 10-day public examination period. A. No. Cash, money orders, cashier's or personal checks are the only acceptable forms of payment. Checks for candidate statements (unless otherwise specified) are to be made payable to the Registrar-Recorder/County Clerk's Office.

Q. How soon will a list of qualified candidates be available after the close of the nomination (candidate filing) period?

A. This office will publish a tentative list, as well as a final list of candidates, daily on the internet and on hardcopy reports. Hardcopy reports will be available in the Election Information Section on the 2nd Floor, Room 2013.

FREQUENTLY ASKED QUESTIONS

Q. If a contest does not appear on the ballot due to an insufficient number of candidates, can a candidate statement fee be refunded?

A. Yes, a candidate statement fee can be refunded. Candidates who are nominated by district and elected at large are the exception.

Note: Candidates for a voter nominated office, **non-incumbent** candidates for a judicial office, and an **incumbent** candidate for a county office are required to be elected and will appear on the Primary Election ballot regardless if running unopposed or not.
