Legal Retention following Special/Stand-Alone Elections

In accordance with California Elections Code section 17302, it is mandated that Elections Officials preserve election date. We have implemented a schedule to reach out to cities where special/stand-alone elections have been conducted. The purpose is to inquire and confirm whether there is any current or pending litigation associated with the election event that would prevent us from disposing of election material. Your cooperation allows us to maintain the necessary records while ensuring compliance with legal obligations. If you have any questions or concerns regarding the preservation schedule or disposal of election material, please contact Adrian Avelar at aavelar@rrcc.lacounty.gov.

CAMPAIGN STATEMENT FILING REQUIREMENTS

CAMPAIGN STATEMENT FILING REQUIREMENTS — California's Political Reform Act was adopted by voter initiative in 1974 and has been periodically amended by legislation and initiatives. The act requires that campaign disclosure reports provide the public with the identity of contributors and the amounts they give and the amount and purpose of expenditures made by officeholders, candidates, and committees.

Proponents and all committees primarily formed to support or oppose a ballot measure in any election must comply with campaign statement filing requirements if the committee receives contributions or makes independent expenditures that total \$1,000 or more. Monetary penalties may be assessed for failure to file required statements.

Contact the Campaign Finance Section at (562) 462-2339 if you have questions relating to filing requirements or need campaign statement forms.
