Reporting Results on Election Night

First Results

8:30pm - 8:45pm

Vote by Mail ballots cast before Election Day

Second Results

8:45pm - 9:00pm

Ballots cast at a Vote Center before Election Day

Remaining Results: Ballots cast at a Vote Center on Election Day

Process and Timing:

- When Vote Centers close, Election Workers will complete their closing procedures and then deliver their ballots to Sheriff's Deputies at a designated Check-in Center.
- Sheriff's Deputies then transport ballots from the Check-in Center to the Ballot Processing Center to be processed and counted.
- All ballots cast at the Vote Center on Election Day will be counted and reported. Once all ballots are counted, we will release the Semi-Final Results.

Reporting Results after Election Night

It's important to know that counting ballots and reporting results does not end on Election Night. All Vote by Mail ballots cast by Election Day and received within seven (7) days from Election Day will be accepted, processed, and once verified, counted.

All Conditional Voter Registration (same-day registration) and Provisional Ballots cast on Election Day are processed and added to the tally once they are cleared.

See the post-Election night results update schedule on the next page.
