REPORTING ELECTION RESULTS: AFTER ELECTION NIGHT

Counting doesn't end on Election Night — it's more accurate to think **"Election Week."** Every valid ballot is processed and counted, and no result is official until certified.

Vote by Mail

All ballots postmarked by Election Day and received within 7 days (E+7) are verified and counted.

Conditional & Provisional

Same-day (conditional) registrations and provisional ballots are reviewed and added once cleared.

Around-The-Clock Ballot Processing

In the days right after Election Day — Wednesday, Nov 4 through Friday, Nov 6 — the RR/CC processes ballots 24 hours a day. This continuous operation is open to the media and the public.
