**Legal Retention following Special/Stand-Alone Elections** – In accordance with California Elections Code section 17302, it is mandated that Elections Officials preserve election data. We have implemented a schedule to reach out to cities where special/stand-alone elections have been conducted. The purpose is to inquire and confirm whether there is any current or pending litigation associated with the election event that would prevent us from disposing of election material. Your cooperation allows us to maintain the necessary records while ensuring compliance with legal obligations. If you have any questions or concerns regarding the preservation schedule or disposal of election material, please contact Adrian Avelar at the Executive office (562) 345-8372.

### **§ 20714. Proposed Ballot Designations Submitted Pursuant to Elections Code § 13107, Subdivision (a)(3).**

Proposed ballot designations submitted pursuant to Elections Code § 13107, subdivision (a)(3), shall be subject to the following provisions:

(a) The terms "profession," "vocation," or "occupation," as those terms are used in Elections Code § 13107, subdivision (a)(3), are defined as follows:

## BALLOT DESIGNATION REGULATIONS (continued)

(1) "Profession" means a field of employment requiring special education or skill and requiring specific knowledge of a particular discipline of learning or science. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accountancy, and journalism. Examples of an acceptable designation of a "profession," as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, "attorney," "physician," "accountant," "architect," and "teacher."

(2) "Vocation" means a trade, a religious calling, or the work upon which a person, in most but not all cases, relies for his or her livelihood and spends a major portion of his or her time. As defined, vocations may include, but are not limited to, religious ministry, child rearing, homemaking, elderly and dependent care, and engaging in trades such as carpentry, cabinetmaking, plumbing, and the like. Examples of an acceptable designation of a "vocation," as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, "minister," "priest," "mother," "father," "homemaker," "dependent care provider," "carpenter," "plumber," "electrician," and "cabinetmaker."

(3) "Occupation" means the employment in which one regularly engages or follows as the means of making a livelihood. Examples of an acceptable designation of an "occupation," as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, "rancher," "restaurateur," "retail salesperson," "manual laborer," "construction worker," "computer manufacturing executive," "military pilot," "secretary," and "police officer."

(b) "Principal," as that term is used in Elections Code § 13107, subdivision (a)(3), means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate. The term "principal" precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement which is only nominal, pro forma, or titular in character does not meet the requirements of the statute.

(1) If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her "principal" professions, vocations or occupations if (i) the candidate has maintained his or her license current as of the date he or she filed his or her nomination documents by complying with all applicable requirements of the respective licensure, including the payment of all applicable license fees and (ii) the status of the candidate's license is active at the time he or she filed his or her nomination documents.

(2) A candidate who holds a professional, vocational or occupational license issued by the State of California may not claim such profession, vocation or occupation as one of his or her "principal" professions, vocations or occupations if (i) the candidate's licensure status is "inactive" at the time the candidate

## BALLOT DESIGNATION REGULATIONS (continued)

files his or her nomination document, or (ii) the candidate's license has been suspended or revoked by the agency issuing the license at the time the candidate files his or her nomination documents.

(c) In order for a ballot designation submitted pursuant to Elections Code § 13107, subdivision (a)(3), to be deemed acceptable by the Secretary of State, it must accurately state the candidate's principal professions, vocations or occupations, as those terms are defined in subdivisions (a) and (b) herein. Each proposed principal profession, vocation or occupation submitted by the candidate must be factually accurate, descriptive of the candidate's principal profession, vocation or occupation, must be neither confusing nor misleading, and must be in full and complete compliance with Elections Code § 13107 and the regulations included in this Chapter.

(d) If the candidate is engaged in a profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate's proposed ballot designation is entitled to consist of the candidate's current principal professions, vocations and occupations. In the event the candidate does not have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of his or her principal professions, vocations or occupations, which the candidate was principally engaged in during the calendar year immediately preceding the filing of the candidate's nomination papers.

(e) A candidate may engage in multiple principal professions, vocations or occupations. Accordingly, the candidate may designate multiple principal professions, vocations or occupations. If a candidate proposes a ballot designation including multiple principal professions, vocations or occupations, the proposed ballot designation must comply with the following provisions:

(1) The proposed ballot designation must comply with the three-word limitation specified in Elections Code § 13107, subdivision (a)(3), and as implemented pursuant to subdivision (f) herein.

(2) Each such proposed profession, vocation or occupation shall be separately considered by the Secretary of State and must independently qualify as a "principal" profession, vocation or occupation, as that term is defined pursuant to subdivision (b) herein.

(3) When multiple professions, vocations or occupations are proposed as a ballot designation, they shall be separated by a slash ("/"). An example of an acceptable designation would be "Legislator/Rancher/Physician."

(f) Pursuant to Elections Code § 13107, subdivision (a)(3), the candidate's ballot designation shall be limited to not more than three (3) words. The following rules shall govern the application of the three word limitation:

(1) The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.

## **BALLOT DESIGNATION REGULATIONS (continued)**

(2) Punctuation shall be limited to the use of a comma (e.g., District Attorney, Los Angeles County) and a slash (e.g., Legislator/Rancher/Physician), pursuant to subdivision (e) of this section. A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language.

(3) All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states. The names of special districts and political subdivisions are not “geographical names,” as the term is used in Elections Code § 13107, subdivision (a)(3). If the candidate desires, the geographical name may be used in the form of “City of . . . ,” “County of . . . ,” or “City and County of . . .” Examples of geographical names considered to be one word include Tehama County, Los Angeles County and County of Sacramento.

(4) An acronym shall be counted as one word.

The candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.”

(b) Pursuant to Elections Code § 13107, subdivision (a)(4), a candidate may propose a ballot designation consisting of the word “appointed” in conjunction with the elective office, if the candidate is a candidate for election to the same office or to some other office. The candidate may not use any words designating the office unmodified by the word “appointed.”

## BALLOT DESIGNATION REGULATIONS (continued)

Elections Code § 13107, subdivision (a); is prohibited pursuant to Elections Code § 13107, subdivision (b); is misleading; or is otherwise improper pursuant to the regulations set forth in this Chapter.

(b) The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations pursuant to Elections Code § 13107, subdivision (a)(3):

(1) ***Avocations:*** An avocation is a casual or occasional activity, diversion or hobby pursued principally for enjoyment and in addition to the candidate's principal profession, vocation or occupation. Avocations may include, but are not limited to, hobbies, social activities, volunteer work, and matters pursued as an amateur.

(2) ***Pro Forma Professions, Vocations and Occupations:*** Pro forma professions, vocations or occupations are positions held by the candidate which consume little or none of the candidate's time and which, by their nature, are voluntary or for which the candidate is not compensated. Pro forma professions, vocations and occupations may include, but are not limited to, such pursuits as honorary peace officer, volunteer firefighter, honorary chairperson, honorary professor, goodwill ambassador, official host or hostess and the like.

(3) ***Statuses:*** A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole. Examples of a status include, but are not limited to, philanthropist, activist, patriot, taxpayer, concerned citizen, husband, wife, and the like.

(c) Pursuant to Elections Code § 13107, subdivision (b)(1), the Secretary of State shall reject as unacceptable any proposed ballot designation which would mislead voters. In making this determination, the Secretary of State shall determine whether there is a substantial likelihood that a reasonably prudent voter would be misled as to the candidate's principal profession, vocation or occupation by the candidate's proposed ballot designation. The determination shall take into account the plain meaning of the words constituting the proposed ballot designation and the factual accuracy of the proposed ballot designation based upon supporting documents or other evidence submitted by the candidate in support of the proposed ballot designation, pursuant to §§ 20711 and 20717 of this Chapter.

(d) A ballot designation may not comprise or include commercial identification information, such as a trademark, service mark, tradename, or the specific name of a business, partnership, corporation, company, foundation, or organization. Examples of an improper use of commercial identification information include, but are not limited to, "Acme Company President," "Universal Widget<sup>®</sup> Inventor," "Director, Smith Foundation," "UCLA Professor," and the like.

Such impermissible adjectives include, but are not limited to, "outstanding," "leading," "expert," "virtuous," "eminent," "best," "exalted," "prominent," "famous," "respected," "honored," "honest," "dishonest," "corrupt," "lazy," and the like.

Examples of impermissible designations include "Ret. Army General," "Major USAF, Retired" and "City Attorney, Retired."

(g) Pursuant to Elections Code § 13107, subdivision (b)(4), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or prefix to indicate a prior profession, vocation, occupation or elected, appointed or judicial office previously held by the candidate. Such impermissible words or prefixes include, but are not limited to, "Ex-," "former," "past," and "erstwhile." Examples of impermissible designations include "Former Congressman," "Ex-Senator," and "Former Educator."

(h) Subject to the provisions of Elections Code § 13107, subdivision (b)(4), use of the word "retired" in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation or occupation. In evaluating a proposed ballot designation including the word "retired," the Secretary of State will consider the following factors in making a determination as to the propriety of the use of the term "retired":

- (1) Prior to retiring from his or her principal profession, vocation or occupation, the candidate worked in such profession, vocation or occupation for more than 5 years;
- (2) The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension;

## Candidate Statements

## CANDIDATE STATEMENTS

### **CANDIDATES SHOULD REVIEW THE FOLLOWING INFORMATION CAREFULLY BEFORE PURCHASING A CANDIDATE STATEMENT.**

The Registrar-Recorder/County Clerk makes every effort to mail Sample Ballots/Candidate Statements as early as possible during the voting period and before the voters' receipt of their Vote By mail ballots. However, this is not always feasible because of the volume of material and the complexity of coordinating mail distribution. For mailing timelines and additional information, please refer to Chapters 1 and 3 of this Handbook.

The estimated cost is determined before all information is available; therefore, it approximates the actual cost that varies from election to election and may be significantly more or less depending on the actual number of candidates who are filing statements.

**GENERAL INFORMATION:** Filing of a statement is optional and applies to local nonpartisan offices. The elections official sends to each registered voter an Official Sample Ballot Booklet, which contains the candidate statements prepared and submitted.

**FILING PERIOD:** Statement must be filed no later than the close of business hours on the last day of the candidate nomination period.

**WITHDRAWAL:** A candidate statement cannot be changed or revised once it is filed. A candidate statement may be withdrawn by 5 p.m. of the next business day after the last day to file the statement.

**CONTENTS:** Statement may include the candidate's age and occupation, and a 200-word description of the candidate's education and qualifications. Some jurisdictions increase the word limit to 400 words.

**RESTRICTIONS:** The candidate statement shall not include the party affiliation of the candidate nor reference any membership or activity in political organizations.

### **ONLINE CANDIDATE STATEMENTS**

**Now available for Judicial, County, City, School, and Special District Candidates only**

If you are interested in submitting an **Online Candidate Statement Only**, the cost is **\$279.60**. These statements will appear exclusively on our website at:

**FORMATTING INSTRUCTIONS:**

Please type your statement in the first column using upper- and lower-case letters. The statement text will be typeset using font style: Times New Roman, size 11-point or a combination of font style and size determined by your requirements. We recommend you use Times new Roman, 11-point font when submitting your statement even though it will later be formatted to fit the system requirements.

Candidate statements that are within the word limit but do not fit in the allowed column space provided will be charged double or more, depending on how many columns the statement is over. The statement in the second column space will be populated with the next candidate statement by another Candidate in the Official Sample Ballot.

The length and style of the candidate statement are in a column width [newspaper] style, and the estimated cost of the candidate statement is derived from per column use.

**NOTE:** Spanish may be longer than the English version, so the statement may continue over into the second column for an estimated cost of two (2) columns. For more information, please contact the Election Planning Section at [electplanning@rcrc.san-diego.ca.gov](mailto:electplanning@rcrc.san-diego.ca.gov).

**PLEASE CONSIDER THIS INFORMATION BEFORE PURCHASING A CANDIDATE STATEMENT:**

## 2 Columns (1 Statement)

**FORMAT AND STYLE INFORMATION (Sample below)** — Statements must be neatly typed. Statement will be typed in the Official Sample Ballot Booklet using Times New Roman font in 11-point size. Please note, if using any standard font less than Times New Roman in 11-point size, the printed candidate statement may extend to two (2) columns once formatted. Each page contains two (2) columns, additional columns used will increase the estimated cost.

Statements will be printed in uniform type, style and spacing, using block paragraphs and single space format. Text submitted indented or centered will be typed on block paragraph form. Entire statements in all capital letters, bold and italics (or any combination of enhancements) are not acceptable. Indentations cannot be accommodated. Enhanced words that are printed in boldface type, underscored and/or CAPITALIZED are to be clearly indicated. The pronoun "I" is not counted as an enhanced word. **Refer to page 43 for the Word Counting Guidelines.**

All statements should be checked by the candidate for spelling and punctuation as the elections official is not permitted to edit any material contained therein. It is recommended that you do not use dashes or hyphens at the end of a line.

**STATE LAW** — Statements may not include references to other candidates. See **Notice to Persons Submitting Candidate Statements on page 29** for restrictions.

**No changes are allowed after the statement has been filed.**

Statements are confidential until after the close of the nomination period. Once the nomination period closes, the statements are open to public examination for a ten (10) calendar day period. During this period, a voter may seek a writ of mandate or an injunction requiring any or all data/material to be amended or deleted.

A candidate may request that the statement also be printed in Spanish and included in the Official Sample Ballot Booklet mailed to all voters in the election area. An additional fee is required to print a Spanish candidate statement. **In compliance with California Law, (E. C. § 13307 (b)) this office will only print English and Spanish candidate statements to be included in the Official Sample Ballot Booklet for candidates who wish to have one, at the candidate's own expense.**

Translations of candidate statements for Voter Information Booklets may be provided in Armenian, Bengali, Burmese, Cambodian/Khmer, Chinese, Farsi, Gujarati, Hindi, Indonesian, Japanese, Korean, Mongolian, Russian, Spanish, Tagalog/Filipino, Telugu, Thai and Vietnamese for qualifying jurisdictions in accordance with Federal Voting Rights Act provisions and Department of Justice specifications. These materials when printed are sent only to voters who have requested them.

**ESTIMATED COST** — The candidate statement form (page 25) issued with the nomination documents contains word limitations and estimated costs.

If the candidate statement word limitation is **400 words**, and a candidate statement of **200 words** or less is submitted, the entire amount of the estimated cost must be deposited. The estimated cost is based on column price, not by-word count.

If a candidate statement is formatted to include numerous paragraph breaks and/or individual listings of accomplishments, endorsements, etc., the printed candidate statement may extend to two **(2)** columns. If a candidate statement is printed in another language, the translated candidate statement may extend to two **(2)** or more columns. In these cases, the actual cost for the candidate statement may double or triple and an additional cost may be billed to the City after the election. Please note, costs are calculated by column regardless of how much or how little text there is on each page. Costs are **NOT** calculated according to word count.

The estimated cost is determined prior to all information being available; therefore, it is an approximation of the actual cost that varies from election to election and may be significantly more or less depending on the actual number of candidates who are filing statements.

**INDIGENT CANDIDATES** — If a candidate alleges to be indigent and **unable to pay the advanced candidate statement fee**, then the candidate shall submit to the City Clerk an **Affidavit of Financial Worth (sample below)** to be used in determining the candidate's eligibility to defer the candidate statement fee to a later time determined by the city.

The candidate will have to **disclose** the necessary data requested which includes the candidate's employer, real estate holdings, tangible personal property and the **IRS Form 4506 "Request for Copy of Tax Return."**

**AFFIDAVIT OF FINANCIAL WORTH** — The candidate shall certify the content of the affidavit as to its truth and correctness **under penalty of perjury**. The affidavit shall be submitted by the candidate together with their candidate statement in accordance with the specified election deadline.

A determination shall be made whether or not the candidate is indigent. The City Clerk will notify the candidate of its findings. If it is determined that the candidate is not indigent, the candidate shall **within three (3) days** of notification, excluding Saturdays, Sundays and state holidays, withdraw their candidate statement or pay the requisite fee.

If the City Clerk makes the determination that the candidate is indigent, the elections official shall print and mail the candidate statement in the Official Sample Ballot Booklet.

**Nothing prohibits the City Clerk from billing the candidate their actual pro rata share of the cost following the election.**

The diagram illustrates the components of a candidate's financial declaration. At the top, a green oval labeled "AFFIDAVIT OF FINANCIAL WORTH" is connected by a line to a stack of five forms. The forms are arranged vertically: 1. "AFFIDAVIT OF FINANCIAL WORTH" (the main document); 2. "AFFIDAVIT OF CANDIDATE STATEMENT OF EXPENSES"; 3. "AFFIDAVIT OF CANDIDATE STATEMENT OF INCOME"; 4. "AFFIDAVIT OF CANDIDATE STATEMENT OF ASSETS"; and 5. "AFFIDAVIT OF CANDIDATE STATEMENT OF LIABILITIES". Each form contains various fields for the candidate to fill out, such as name, address, and financial details.

**PUBLIC EXAMINATION PERIOD** — The period between August 9\*\* (E-87) and August 18 (E-78) is the **recommended** timeframe for the City Clerk to make candidate statements, candidate names, and ballot designations available for public examination. A fee may be charged to any person obtaining a copy of the material. During this period, any person may file a writ of mandate or an injunction to require any or all of the data/material in a candidate statement to be amended or deleted. (E.C. §13313)

**INCUMBENTS/LIST OF QUALIFIED CANDIDATES** — A Final List of Candidates **to Appear** on the Ballot and **Not to Appear** on the Ballot should be available for distribution by the **end of August**. Additionally, these listings will be posted on the RR/CC website [www.lavote.gov](http://www.lavote.gov).

**CANDIDATE STATEMENTS MUST BE FILED NO LATER THAN 5:00 P.M. ON THE LAST DAY OF THE NOMINATION PERIOD.**

\*\*August 9, 16, and 23 (Saturdays) and August 10 and 17 (Sundays) RRCC office will be closed.

## NOTICE TO PERSONS SUBMITTING CANDIDATE STATEMENTS

### **CANDIDATE STATEMENTS ARE LIMITED TO THE CANDIDATE'S OWN QUALIFICATIONS**

**This applies to all candidates.**

The California Elections Code and case law prohibit **CANDIDATES** from making any reference to another candidate or to another candidate's qualification, character or activities. If the **CITY ELECTIONS OFFICIAL** discovers improper content in a candidate statement, the **CITY ELECTIONS OFFICIAL** will notify the candidate and give the individual an opportunity to correct the improper language in the candidate statement. If the candidate refuses to correct the improper language, the **CITY ELECTIONS OFFICIAL**, as well as any other voter, may bring legal action against the candidate to correct the statement. The prevailing party may also be entitled to obtain attorney's fees for bringing the action.

All prospective candidates may want to refer to California Elections Code Sections 13307, 13308, 13311, 13313, and 13314, as well as the California Court of Appeal ruling in *Dean v. Superior Court*, (1998 4<sup>th</sup> Dist.) 62 Cal. App. 4<sup>th</sup> 638. However, this list is not exhaustive and candidates are solely responsible for preparation and submittal of candidate's statements that are in conformance with the law. A copy of the above described Elections Code sections and the *Dean* decision are available from our office at no cost.

Submitted attachments should be clearly identified by appropriate **ballot enclosure titles** (refer to the chart on [page 36](#)).

##### Election Districts

Our City \_\_\_\_\_ is 102 square miles in size and would be divided into four equally populated districts. All council candidates would have to reside in one of these districts to be elected to our city council. All voters would vote for every city council member elected. Our mayor could live in any district they choose and would also be elected by all of the voters.

District elections will promote a better defined improvement plan, that is more specific to our neighborhood needs and give our residents a point of contact that would live in their geographic part of the City. Any expenditure of funds would have to be approved by the entire city council.

would be better served if all parts of our city had a say in our development and decision making on our city council! We are a safe city in size and much more diverse than our present council.

JAMES  
Mayor  
**FORM AND STYLE ONLY**

#### REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE J

This measure does NOT create district representation. If these were truly district elections, only the people of that district would be allowed to vote for their candidate.

In addition, under this measure:

- **Proposed districts are not equal!**
- This measure will divide the city into eastside vs. westside districts.
- One district may outvote the other districts and have more influence over certain candidates.
- Political maneuvering will divide the city into neighborhoods who do not live in one district, but want to vote on our city council.

Residents of districting feel that \_\_\_\_\_ at 102 square miles, is not large enough in population to slice and divide into competing neighborhoods. Political maneuvering will occur. We all see the problems districting has brought to the City of Los Angeles – the inefficiency, the power struggles. **Do we want that for**

**VOTE NO ON DISTRICTS**  
**VOTE NO ON MEASURE J**

#### ARGUMENT AGAINST MEASURE J

##### Districts

The proposal to split the City into districts is a sham. The efforts of the new Council over the last two years have been to heal not divide, provide new services not polarize our community. This proposal divides and splits the City. Cities of 500,000 or more require district representation. \_\_\_\_\_ a population of 125,000, does not need to be divided and quartered.

This sham proposal does not create real districts in which a Councilmember is elected by and represents that district. This proposal merely requires a candidate to reside in the district. Others would determine the representation of that district. For example, a district could support a candidate yet the voters from another district could still prevent his election. The only real proposal would be one in which their districts alone elect Councilmembers. This would do nothing to diversify representation on the Council.

“Turf” would be created by “deals made” with other district Councilmembers who decide which district gets their improvements first. A Councilperson out of favor with the Council Majority will be forced to negotiate from a position of weakness in order to gain the Council’s attention to address the needs of their district. People could move from district to district to increase their chances of election. They would be no more representative of the district expert than anyone else.

This proposal creates one district of 35,000 and three of 25,000 when less than 15% of the voters cast their ballot in every election. Which district controls? Individuals from the Eastside could be overwhelmingly defeated by Westside voters or vice versa.

The current system, which allows a Councilmember to act on behalf of and be held accountable to **ALL** the citizens of Palmdale, is the best system.

**PLEASE VOTE NO ON SPLITTING**  
**PLEASE VOTE NO ON DISTRICTS!**

RICHARD  
City Councilmember

#### REBUTTAL TO ARGUMENT AGAINST MEASURE J

Do you believe in smaller government, that which is closest to the people? Do you believe that our city would be best served if councilmembers resided in different parts of our city not just one exclusive neighborhood?

Then I ask for your YES VOTE FOR DISTRICTING.

In recent history, 60%-80% of the members of our \_\_\_\_\_ City Council have resided in far westside neighborhoods. Our city has grown in those years to become one of the largest cities in California at 102 square miles. We have become a progressive city with vision. Many cities like \_\_\_\_\_ already have districting in place because they realize that different neighborhoods have different needs.

If we are to truly represent the needs of all our residents, we must have COUNCILMEMBERS WHO KNOW THOSE NEEDS AND CONCERN FIRST HAND, who live and breathe them everyday.

There are naysayers who will say that districting will divide our city, but I submit to you that DISTRICTING WILL UNITE OUR GREAT CITY because all of our residents will know that they have a voice at the table where decisions are made.

Vote YES ON DISTRICTING to provide balanced representation on our city council.

Mayor

### Candidate Statements & Measures

#### CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE PD

Measure PD is a measure adopted by the City Council of the City of XXXXXXXXX(City) to ask the voters to vote to increase the business license tax rates, and solid waste processing fees imposed on material recovery facilities operating within the City. A type of a material recovery facility includes solid waste transfer stations. A solid waste transfer facility has a designated receiving area where waste collection vehicles discharge their loads. Currently, five transfer stations operate within the City, and they generally receive ordinary non-hazardous household waste, and construction related demolition and debris. Solid waste is transported to a processing facility, then loaded into larger vehicles for shipment offsite. No long-term storage of waste occurs at a transfer station.

The City has imposed a business license tax since 1923. The City has imposed solid waste transfer facility processing fees since 2005. The general business license tax rates have not increased since 2005, while the solid waste transfer facility processing fees have not been adjusted since 2012.

Measure PD allows the City to adjust the general business license tax rates imposed on businesses operating in the City. Measure PD proposes to adjust to the general business tax rates once every three (3) years using an index commonly referred to as the Consumer Price Index applicable to the area covered by the City's boundaries. The solid waste transfer facility processing fees will be adjusted using the same index.

If Measure PD is approved, the City would adjust the general business license tax rates in 2024, and, starting in 2025, increase the processing fee for waste deposited at a solid waste transfer facility operating within the City. The business license tax, and processing fees would be used to fund the general municipal services such as public safety, street repairs, park programs, park maintenance, and services for seniors.

A "YES" vote on Measure PD would support the adjustment of business license tax rates once every three (3) calendar years and increased solid waste transfer facility processing fees. A "NO" vote would oppose the adjustment of business license tax rates once every three (3) calendar years, and increased solid waste transfer facility processing fees.

## Multilingual Services

**GENERAL INFORMATION** — The 1992 provisions of the Voting Rights Act require that for elections conducted in Los Angeles County voting materials must be available in five languages other than English (**Chinese, Japanese, Spanish, Tagalog/Filipino, and Vietnamese**). In 1998, the Los Angeles County Board of Supervisors instructed this office to include the **Korean** language in the translation of voting materials. Following the 2010 U.S. census, we provide translation services in **Cambodian/Khmer, Hindi, and Thai** languages. In 2018, the California Secretary of State instructed this office to include **Armenian and Farsi languages**. In 2020, the California Elections Code 14201 added **Bengali, Burmese, Gujarati, Mongolian, Indonesian, and Telugu** languages to the required languages for Los Angeles County. In 2021, the California Elections Code added the **Russian** language.

Currently, Los Angeles County is required to provide the following language assistance to voters:

Armenian, Bengali, Burmese, Chinese (Cantonese and Mandarin), Farsi, Gujarati, Hindi, Indonesian, Japanese, Khmer, Korean, Mandarin, Mongolian, Russian, Spanish, Tagalog, Telugu, Thai, and Vietnamese.

This office has met with community organizations to determine the most effective way to implement multilingual provisions. A mutual agreement was reached as to what materials would be translated and how multilingual voters would be targeted for election mailings, thereby reducing printing requirements.

This office will continue working with community groups to determine multilingual service requirements for future County elections.

**MULTILINGUAL SERVICES (RR/CC)** — The county performs the following functions:

1. Translation of Official Sample Ballot Booklet information and related voting materials.
2. Transliteration of candidate names in languages that do not use Roman characters is provided, as instructed by the Department of Justice. These languages include Armenian, Bengali, Burmese, Cambodian/Khmer, Chinese, Farsi, Gujarati, Hindi, Japanese, Korean, Mongolian, Russian, Telugu and Thai.
3. Mailing of multilingual ballot information booklets to voters requesting such material.
4. Billing to the City, and if applicable, its pro rata shares of the cost of translating, printing, and mailing language materials.

**Note:** In compliance with California Law, (E. C. § 13307 (b)) this office will only print English and Spanish candidate statements in the English language version of the Official Sample Ballot Booklet (for candidates who wish to have one) at the candidate's own expense.

## RR/CC MULTILINGUAL MATERIALS

**ALL-AMERICAN POLLING PLACE VIDEO** — This is a ten minute video focusing on multilingual issues and procedures. Contact the Training Section at (562) 462-2620 for a copy.

**TRANSLITERATION OF CANDIDATE NAMES** — Candidates may request that their names be transliterated in those languages that do not use Roman Characters as instructed by the Department of Justice. These languages include Armenian, Bengali, Burmese, Cambodian/Khmer, Chinese, Farsi, Gujarati, Hindi, Japanese, Korean, Mongolian, Russian, Telugu and Thai. If applicable, candidates must complete a **Transliteration Form (Sample below)** and file it with their nomination documents by the specified deadline (**88 days** prior to the election). Candidates may review the transliteration of names and submit changes to the Registrar-Recorder/County Clerk (RR/CC) no later than the last day of the review period, which is normally **60 days** prior to the election, but subject to change. At that time, these languages included Chinese, Japanese and Korean.

After the 2010 Census, the following languages were included: Cambodian/Khmer, Hindi, and Thai.

In 2018 two languages were added: Armenian and Farsi.

In 2020 six languages were added: Bengali, Burmese, Gujarati, Indonesian, Mongolian, Telugu.

In 2021 one language was added: Russian.

PROCESS:

This department will transliterate your name in Armenian, Bengali, Burmese, Cambodian / Khmer, Chinese, Farsi, Gujarati, Hindi, Japanese, Korean, Mongolian, Russian, Telugu, and Thai. Candidates will also be permitted to submit their own transliterations for each or all of these languages. A review period will be established to allow candidates to request changes prior to the deadline set to print translated Official Sample Ballot Booklets. Various minority community groups and news media assist this office by reviewing submitted transliterations to insure uniform name recognition within the community. Once transliterations are considered final, no further changes or submissions of transliterations are considered final, no further changes or submissions of transliteration requests will be accepted after the review period. **There will be no exceptions.**

TRANSLITERATION FORM:

All candidates will be required to file this document together with their nomination documents but no later than the last day to file these documents.
