#### Sixth Post-Election Night Ballot Count Update for the 2024 Presidential Primary Election

**LOS ANGELES** – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the sixth post-Election Night ballot count update for the March 5, 2024 Presidential Primary Election.

The update includes **116,493** ballots processed since the fifth Post-Election Night update. The total election results count is now **1,518,040**, which is **26.72%** of registered voters. Election results can be viewed on [LAVOTE.GOV](https://LAVOTE.GOV).

**The next ballot count update will be on Wednesday, March 13.** The full schedule of updates can be viewed on the [Canvass Update Schedule](#).

The **estimate of outstanding ballots** to be processed is **126,000**. See estimates below:

- **Vote by Mail ballots (VBM):** 119,000
- **Conditional Voter Registration ballots:** 6,500
- **Provisional ballots:** 500

This adjusted estimate includes Vote by Mail ballots received today and the estimated number of ballots returned at Vote Centers and Official Ballot Drop Boxes on Election Day.

The estimate also includes ballots pending signature cures from voters whose signatures on the Return Envelope were missing or did not match their registration records. These voters have been notified and instructed on how to cure their ballots to be counted.

Outstanding estimates are Countywide and are not currently available by jurisdiction as ballots are received and processed in batches throughout the county. The RR/CC prioritizes the timely processing, verifying, and counting outstanding ballots in the [Official Election Canvass](#).

The Official Election Canvass is a 30-day period in which the RR/CC processes and verifies all outstanding ballots to ensure that every eligible ballot cast by Election Day is counted.

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible, and transparent manner.
